

## Convention checklist

### Before You Go:

- Purchase convention tickets
- Secure hotel reservation (use convention group rate if you can)
- Make travel arrangements (air, train etc.)
- Create your costume design and start building/sewing/buying your dream outfit
- Check if you need to pre-register for any events or competitions at the convention
- If you have large items or just hate to carry luggage, check if you can pre-ship items to the hotel. This is particularly effective for large cosplay items. Have back up plans in case items do not arrive or are damaged in shipment
